Rejoicing On The Road

We have now begun our longest trip away from home during this furlough. We have been in churches in **Colorado Springs** and **Pueblo, Colorado**, and are currently in **Dalhart**, in the Texas Panhandle. From here we travel to Wichita Falls area and then on to **Oklahoma, Kansas, Indiana, Illinois and North Dakota**. God has been good, and we have been in some great meetings!

It was especially a blessing to be in this last meeting at **Liberty Baptist Church in Dalhart**. The people of Liberty treated us like kings during the whole missions conference! **Thank you so much, Liberty Baptist Church for the wonderful time!** We also had the privilege and joy of seeing **Brad and Deborah Wells**, missionaries to Papua New Guinea. Not only are they missionaries, but they are also part of our extended family by marriage. This was the first time we had the opportunity to meet Brad. Wow! What a great guy! And what a great work God is doing through them in New Guinea!

News From The Field

We are grateful to the Lord for His blessings on the work in Guatemala while we are home on furlough. Bro. Alfonso Estrada has reported that things at the church in Guatemala are going well. Attendance is holding up and they have had some visitors as well. In our last prayer letter we mentioned prayer for **Susy Estrada**, who had recently undergone surgery. We are glad to report that she is pretty much recovered and is doing well. The tests came back negative, for which we are grateful to the Lord.

Prayer Requests

- **Traveling mercies** during the next few months
- The need for **new supporting churches**
- **Churches in Guatemala** while we are on furlough
- **Beth, as she home schools the children** while we are traveling
- **Bro. Alfonso Estrada's back problem**
- **Wisdom and direction from the Lord**
- **Laborers for the Harvest!**

Now, **Bro. Estrada is having some lower back problems** that have hindered his work in the military. Please pray that his back will get better, and that he can be back to his normal routine very soon.

Thank You!

Thank you for your faithful intercession for the needs in our family and in our ministry. Your prayers are evident, and we know that it is your faithfulness that keeps God's blessings flowing. Be assured that your prayers do not go unnoticed. God bless you all!
