Continued Blessings of Answered Prayer

Several years back, we asked prayer for Antonio “Tono” Carranza. This man was married to a Christian lady who was a member of the second church, Abundant Life Baptist Mission. Tono was a very devout Catholic that faithfully attended Mass, and even paid large sums of money to be able to carry large floats of Christ in the Catholic processions during Easter week as a part of his penitence.

A few years ago, his wife, Maria, died, but shortly before her death, Tono trusted Christ as his personal Savior. That was indeed a blessing. We rejoiced with the church over the salvation of the man for whom we had prayed so long.

This last weekend, I preached a service for the church there in Villa Nueva, and what a continued blessing it was to see Tono, not only still faithful in church, but also helping the services. Praise the Lord for transformed lives!

New Visitors – New Members

- Pray For:**
- The Lutín Family
 - The Santizo Family
 - The Quiñonez Family

Since Easter Sunday, we have had many new visitors in the church services. We have three couples in particular that have been faithful in the services and we have been talking with them about joining the church. Lord willing in the next few weeks we will have baptisms and several will be joining the church as formal members. Please keep these families in your prayers.

New Ministry A Blessing

About a month ago, I started a new ministry in which I send out a short devotional by email twice a week. The main purpose was to get the Word of God to some of our friends and former visitors at the church in a routine manner (Isaiah 55:11). The reception and comments have been overwhelming. Here are two examples:

- *“I wanted to let you know that I NEEDED this devotional today. I stayed awake the entire night battling this very war in my heart and mind. It's true. bitterness and hatred will destroy a person from the inside out and will make us do things we otherwise would never dream of doing. God certainly laid this on your heart for ME. Thank you so much.”*
- *“Bro. David, you don't know how much the Word of our Lord comforts me.”*
